Thanks, Sarah, for identifying the comments on each version.

Douglas, Lucita and I had a brief exchange about the R7 intro and have decided not to keep it. I will look at the edits on both versions and create a final version.

Thanks, Valois! FYI - Douglas, Darcy and I reviewed an AE version that Douglas sent for review on Tues last week and made some comments there that still need to be addressed. Apologies for the version issues. Let me know if I can help reconcile.

Douglas/Darcy/Lucita – I did a document compare for the version from R7 and the main edits are the addition of a INTRO section as well as a second paragraph under background. Other edits were a handful of minor wording changes. Please let me know if you want to see the compare. (I'm not attaching b/c I'm nervous about sending yet another version out there).

Thanks,
Sarah
